- The original contact box incorrectly listed Dean Maria Stampino under “Advising.” The dean responsible for advising is Assistant Dean Leonard Clemons, whose email is [le.clemons@miami.edu](mailto:le.clemons@miami.edu) and can be contacted through the general advising office at 304-284-4333.
- The original contact box incorrectly listed Suzanne Thomas-Hall under “Transfer Advising.” There is no longer a specific advisor for transfer advising. All advisors have been cross-trained to advise both transfer and traditional students.
